خلاصه مقاله:

The selection of all the words of the Holy Quran, including: the selection of words from the article "SOBH", is based on wisdom. The approach of paying attention to literary sciences can lead to the discovery of the literary and guiding wisdom of these words in the verses. The main question of this research is: "What is the literary wisdom (or purpose) of the words indicating the time of morning from the article "SOBH" in the Holy Quran?" For this reason, the derivatives of the word "SOBH" in the verses were examined and conceptualized. Then, the literary and guiding aspect of words with the meaning of morning in the text of the verse was analyzed. The wisdoms obtained are: ۱) From the article "SOBH", the words infinitive noun, infinitive, subject noun, perfect verb and imperfect verbs have the meaning of morning time. ۲) The importance of swearing in the morning. ۳) Asking about the approach of morning, a sign of urgency. ۴) "Fa" in "Fa asbahu" is a sign of the time of morning. ۵) "Mosbahin" is a substitute for explaining the divine order. ۶) morning simile or metaphor to put aside the night. ۷) Virtual morning for all times. ۸) Morning breathing is a metaphor for gradual clarity. ۹) In the morning of irony to surprise the enemy, perform the rosary and pray. ۱۰) Confrontation and prostration between morning and night is a sign of confrontation between truth and falsehood or guidance and polytheism.
