

عنوان مقاله:

New Fuzzy Logic-Based Methods for the Data Reduction

محل انتشار:

پنجمین کنفرانس بین المللی مهندسی برق و کامپیوتر با تاکید بر دانش بومی (سال: 1396)

تعداد صفحات اصل مقاله: 8

نویسنده:

Reyhaneh Tati - Department of computer, Doroud Branch, Islamic Azad University, Doroud, Iran

خلاصه مقاله:

The problem of finding effective data reduction algorithm was discussed in the paper. To improve the quality of initial data, the matrix and singular value decomposition and fuzzy reasoning were used, the method of selection of the .most efficient reduction algorithm was proposed

کلمات کلیدی:

data reduction, singular value decomposition, fuzzy logic
